Sir,

I have the honour to state that the Taluk Board President, Bowringpet, has, as resolved by the Taluk Board, proposed the handing over of the Musafirkhana at Bowringpet, to the Municipality for maintenance. The matter was fully discussed by the District Board at their meeting held on 31.3.25 and they have resolved that the building might be handed over to the Municipality on condition of keeping it as Musafirkhana. A copy of the resolution is also -- enclosed for the perusal of Government and orders.

2. In view of the fact that there are many private and charitable chattrams for the use of the travelling public in the Bowringpet Town, and also considering the financial stringency of the Taluk Board, I am of opinion that the musafirkhana which was constructed many years ago when there was probably necessity for such institutions is not of much use at present.

3. In these circumstances I would support the recommendation of the Taluk Board and I request that early orders of Government may be obtained.
